

Seyfor

Conveniently
and worry-free
with **AppOn.cloud**

We run Seyfor's accounting and economic systems on our secure and reliable infrastructure.

With internet access, you can work from anywhere – from your office, from your customers' premises, from your home or even on holiday.

We have enough experience and the necessary cutting-edge technology to handle everything. Whenever you need your system, it will be available to you and those you authorize – conveniently and worry-free.

What you get with **AppOn.cloud**?

- A **partner** with more than 25 years of experience
- 100% **data security** based on ISO 27001 certification and inspection by the Czech National Security Authority
- Professional technical background and **support available 24/7**
- Your own desktop, **documents and software available at all times and everywhere**
- **No investment in hardware or software** – you leave this to us
- **A range of additional services** such as Microsoft 365, web hosting, VoIP calling and endpoint management

• You can start from **CZK 950 per month**
